

## CHECKLIST OF THINGS TO DO

### BEFORE TRAVELLING TO SINGAPORE

- ☐ Apply for a visa after receiving your Air Travel Pass approval and before departing for Singapore (if you require a visa to travel to Singapore).
- ☐ Stay in Mainland China for 14 consecutive days before departing for Singapore.
- ☐ Buy travel insurance, with a minimum coverage of S\$30,000 for COVID- 19- related medical treatment and hospitalisation costs. Click [here](#) for a list of products offered by Singapore- based insurers.
- ☐ Prepare an electronic or physical copy of your insurance policy to bring with you to facilitate your entry into Singapore.
- ☐ Check that you have purchased a ticket to travel to Singapore on a direct flight without transit.
- ☐ Monitor your health status before departure.
- ☐ [Register and pre- pay](#) for a COVID- 19 polymerase chain reaction (PCR) test to be taken at the airport upon arrival in Singapore. Children aged 6 years old or younger in this calendar year are not required to take a COVID-19 PCR test at the airport upon arrival in Singapore.
- ☐ Book an accommodation in Singapore to serve out your isolation period while waiting for your on- arrival COVID- 19 PCR test result, which may take 1- 2 days. The accommodation must be non- residential, and an individual room with an attached toilet. You may refer to the Singapore Hotel Association (SHA) [website](#) for a list of hotels currently accepting visitors travelling to Singapore under the Air Travel Pass. The list is non- exhaustive and you may book other available accommodations as long as these are non- residential, and individual rooms with an attached toilet.

- ☐ Check that your mobile device is compatible<sup>1</sup> with the TraceTogether app and download it on your mobile device. After downloading the app, you must also verify your mobile number with an SMS One- Time Password (OTP) and register your profile on the app to use it. When registering, you should use the **same identification number, nationality and date of birth** as those shown in the passport that you are using to enter Singapore. Please refer to the TraceTogether [website](#) for information on how to download the app and register. The following groups are not required to download the TraceTogether app: (i) children who are aged 12 years old or younger in this calendar year and travelling with a parent or guardian; and (ii) those who are unable to use mobile devices due to a certified disability and/or special need.

- If your mobile device is incompatible with the TraceTogether app, or if you are unable to download the app on your mobile device, please rent a mobile device from the Changi Recommends [website](#) . Print a physical copy or keep an electronic copy of your booking confirmation for a rented mobile device from Changi Recommends to present to the airline staff during check- in at the departure airport. You can collect your mobile device at the Changi Recommends booth in Changi Airport prior to clearing arrival immigration.

- If you are able to download the TraceTogether app, but unable to receive an SMS OTP to register your profile on the app due to network restrictions, please book a Singapore SIM card from the Changi Recommends [website](#) . Print a physical copy or keep an electronic copy of your booking confirmation for a Singapore SIM card from Changi Recommends to present to the airline staff during check- in at the departure airport. You can collect your Singapore SIM card at the Changi Recommends booth in Changi Airport prior to clearing arrival immigration.

- ☐ Submit your health, travel history, and accommodation declarations electronically via the [SG Arrival Card](#) up to three days prior to your date of arrival in Singapore.

## AT DEPARTURE AIRPORT

- ☐ Present the following to the airline staff at check in: (i) an electronic or physical copy of your Air Travel Pass approval letter; (ii) your visa (for visa- required visitors); and (iii) a mobile device with the TraceTogether app already downloaded, or a booking confirmation (electronic or physical copy) for a rental mobile device / a Singapore SIM card from Changi Recommends.

## AT ARRIVAL IN SINGAPORE

- ☐ If you have rented a mobile device or booked a Singapore SIM card from Changi Recommends, collect it at the Changi Recommends booth in Changi Airport prior to clearing arrival immigration. Upon collection, you must switch on the mobile device or activate the Singapore SIM card, and immediately register your profile on the TraceTogether app with the **same identification number, nationality and date of birth** as those shown in the passport that you are using to enter Singapore.

- ☐ Present the following to the Immigration & Checkpoints Authority officer: (i) an electronic or physical copy of your Air Travel Pass approval letter; (ii) your visa (for visa- required visitors); (iii) an electronic or physical copy of your travel insurance policy, with a minimum coverage of S\$30,000 for COVID- 19- related medical treatment and hospitalisation costs; and (iv) a mobile device with the TraceTogether app already downloaded. If you have downloaded the app on or after 1 Feb 2021, **you must click on the 'ACTIVATE APP' button on the Holding Screen immediately after you have cleared arrival immigration in Singapore.** You will then get the App Activated Screen. Click the 'YES' button to reach the Home Screen. If you are unable to activate your app because you did not register your profile with the **same identification number, nationality and date of birth** as those shown in the passport that you have used to enter Singapore, you will need to check and edit the passport details on your app profile.
- ☐ Undergo a COVID- 19 polymerase chain reaction (PCR) test at the airport upon arrival in Singapore. Children who are aged 6 years old or younger in this calendar year are not required to take a COVID-19 PCR test at the airport upon arrival in Singapore.
- ☐ Immediately take private transportation, taxi, or private hire car to travel from the airport to your declared accommodation to serve out your isolation period.
- ☐ Remain in isolation at your declared accommodation for 1- 2 days until you are notified that your test result is negative.

## DURING AND AFTER STAY IN SINGAPORE

- ☐ Keep the TraceTogether app activated on your mobile device while in Singapore by ensuring your mobile device's Bluetooth function is turned on throughout your stay. To use the TraceTogether app, a Bluetooth- enabled mobile device is required but an overseas data plan is not needed.
- ☐ Retain the TraceTogether app with the data on your mobile device for 14 consecutive days after leaving Singapore
  - If you have rented a mobile device from Changi Recommends, return the mobile device to Changi Recommends by the end of your rental period.
- ☐ If you test positive for COVID- 19 while in Singapore or in the first 14 days after leaving Singapore, you must upload all data in the TraceTogether app upon request by the Singapore Ministry of Health.

Please refer to the SafeTravel [website](#) for more information on the Air Travel Pass.

---

<sup>1</sup>Mobile devices that are incompatible with the TraceTogether app include:

- Phones that do not have access to the Apple App Store, Google Play Store, or Huawei App Gallery
- Non-camera phones
- Phones with Android version 5.0 and below
- Phones with iOS version 9 and below
- Phones running on Blackberry OS or Symbian OS
- Phones with a Mobile Device Management (MDM) system installed by employers that prevents downloads from the Apple App Store, Google Play Store, or Huawei App Gallery
